Sorry Robert. Not sure what that is about.

I have attached the Phase 1 report (without appendices), but am having Jeff Criner send you and Rick a complete Phase 1 via overnight mail.

Also sending a disk of Earle's reference documents to both of you as well.

Thanks again for your help with this.

Mark

Hey Mark,

Tried to follow the link to the report,

https://www.epa.gov/sites/production/files/2016-10/documents/epa-smcb_esi_phase_1.pdf

and got the following response.

Not Found

The requested URL "/sites/production/files/2016-10/documents/epa-

smcb_esi_phase_1.pdf" was not found on this server.

If you can send a pdf, that would be great.

Thanks,

Robert Ford
